

Product Description

Introducing Mom & Pop™ Cannabis-Infused High Dose Gummies.

Not your average gummy.

Our 2000mg High Dose Gummies are made for those who *know their dose* and like it bold. Crafted in small batches with extra care, each bag delivers a powerful punch of premium cannabinoids wrapped in classic candy shop flavor. Whether you're looking to unwind, take the edge off, or just ride the wave a little longer—these are the gummies that get it done.

Please create our brand/products on your menus and use the logo/product images attached to the kit.
